ROAD MAP

MESSAGE FROM THE CHAIRMAN

Greetings from KIOT!

Dr. PSS. SRINIVASAN
B.E., M.Tech.(IIT-B), Ph.D.
FOUNDER & PRESIDENT, KIOT TRUST
Executive Chairman, KIOT.

Engineering, Technology and Management (ETM) have contributed immensely to the development of mankind from stone age to the current level*. The Engineering and Management Education have changed significantly over the time, based on industrial and societal needs. At KIOT, we teach ETM in such a way that graduates have strong fundamentals, problem solving skills, life skills and leadership skills, ownership and growth mindset coupled with innovation and creativity. The Pedagogy / Teaching-Learning Process (TLP) is designed in an experiential learning way. In collaboration with industries, 25+ industry linked labs are established and the students are trained on current and futuristic technologies. With all these aspects, the employability and social skill quotients of students are high. It naturally results in best-in-class placements in top-notch MNCs.

We welcome you to associate with KIOT, emerge as the industry ready and future focused graduates and excel in your future career.

* Fire, Wheel, Agriculture, Internal Combustion Engine, Electricity, Industrial Revolution, Electronics & Communication, Computer, Internet, Social Media, IOT & Robotics, AI, Cyber-Physical Systems, Sustainability.

*We Deliver...
What we Promise...*

*Education is not just about knowledge; it is the cornerstone of progress and equality.
It empowers individuals, unlocks opportunities and drives
sustainable development across societies.*

Welcome to the Knowledge Institute of Technology, Salem!

At KIOT, we provide Industry-focused academics combined with a comprehensive 360° personality development program, shaping students into disciplined, confident leaders with a passion for excellence.

Creativity and innovation drive our learning approach. Through design thinking and Make-A-Product (MAP) initiatives, Students harness their creativity to develop solutions for real-world industry and societal challenges.

Our vibrant ecosystem fosters innovation, while global collaborations provide students with opportunities to study abroad for a semester, paving the way for higher education at prestigious Indian and International Universities. These experiences, along with our comprehensive training, ensure excellent career prospects and successful placements.

Your journey at KIOT is more than just earning a degree. It's about unlocking your full potential and making a meaningful impact.

Let us work together to shape a better future for our communities and the world.

Wishing you a fulfilling and successful academic journey ahead!
