

	CHAPTER - 13		
13	TRANSPARENCY IN ADMINISTRATION		
	<i>Framed and implemented w.e.f. 01.01.2018, Latest update w.e.f. 01.06.2025</i>		
13.1	General		
	Transparency is operating in such a way that it is easy for others to see what actions are performed. Knowledge Institute of Technology, as an Autonomous Institution affiliated to Anna University and approved by AICTE, functions under the statutory and regulatory requirements of AICTE, NBA, UGC, and Directorate of Technical Education (DoTE). The institution maintains complete transparency in its financial, academic, administrative, examination, and auxiliary functions. All statutory and autonomous body decisions are implemented in a fair and open manner and are communicated to stakeholders.		
13.2	Financial Transparency		
	1	Budget allocation is done for every academic year for each department and activity under relevant heads. Utilization of budget is tracked through internal and external finance audits Audited financial statements are displayed on the college website.	
	2	Salary transactions of every faculty and staff member are made only through bank transfer.	
	3	Faculty and staff members have access to salary details through acquaintance rolls.	
	4	Institution equally provides financial support to teaching/non-teaching staff to attend faculty development programs, workshops, conferences, and training programs for academic and professional growth and also for collaborations that would facilitate healthy academic and research ambience.	
	5	Funds allocated for autonomous activities such as Board of Studies, Academic Council meetings, Examination Cell functions, and curriculum development are maintained with full accountability.	
13.3	Administrative Transparency		
	1	The institution follows the guidelines of the Governing Body, Academic Council, Finance Committee, and other statutory/autonomous committees for policy and decision-making.	

	2	Policy documents relating to administration, service rules, and code of conduct are available in the HR policy manual for faculty and the College Handbook for students. These are also accessible on the college website. Any changes in policies are updated through circulars, official communication, and website announcements.	
	3	Regular meetings of Academic Council, and other committees are conducted. Any changes in the policies are updated to the faculty members and students through meeting and circulars. The approved minutes are circulated to relevant stakeholders.	
13.4	Academic Transparency		
	1	The Internal Quality Assurance Cell (IQAC) reviews academic processes and ensures continuous quality enhancement.	
	2	Academic calendar and schedule are shared with all faculty and students at the beginning of every semester.	
	3	ERP access is provided to faculty and students and a Separate College Mail ID is given to all students for easy communication.	
	4	In ERP, Course plan and notes are prepared and entered by the respective course faculty before the semester starts.	
	5	As an autonomous institution, curricula and syllabi are designed and approved through transparent processes involving Board of Studies (BoS) and Academic Council, with representation from industry, alumni, and external experts. Program Outcomes (POs), Program Specific Outcomes (PSOs), and Course Outcomes (COs) are published on the website, and course mapping is open for review.	
	6	Included in Examination Transparency	
	7	Daily attendances are uploaded in ERP software for analysis	
	8	Class Committee meetings are conducted thrice in a semester to address academic grievances. Hods address the grievances reported.	
	9	Decisions are taken by the Principal on discussion with the HoDs and other executives on all relevant matters. Regular meetings MoMs of such decisions are circulated to all faculty and staff members.	
	10	Included in auxiliary functions	

	11	All circulars from Principal are circulated by email all the HoDs and relevant faculty, staff and students.	
	12	The achievements of Faculty/Students and placement details are updated regularly in college website	
13.5	Auxiliary functions		
	• All purchase, library, sports, mess, and hostel functions are handled through committees to ensure transparency. • Hostels maintain open communication channels for student feedback on food and facilities, with regular review meetings. • Major auxiliary services like skill development initiatives, industry collaborations, and placement activities are documented and shared with stakeholders.		
13.6	Examination Transparency (New)		
	The Controller of Examinations (CoE) operates independently to ensure fairness, confidentiality, and integrity in all assessments.		
	Both internal and external experts are involved for setting question papers and evaluation as per approved guidelines.		
	Examination schedules, paper-setting policies, evaluation norms, and revaluation procedures are made available for transparency.		
	Internal and end-semester results are published within the stipulated timeline and uploaded on the student portal.		
	Answer scripts of internal assessments, assignments, and other evaluations are returned to students for review.		
	Internal marks are regularly shared with parents via SMS/WhatsApp. Students can verify internal marks in the ERP.		
	Students can obtain end semester answer scripts and apply for revaluation or retotaling through defined procedures.		
	A clear mechanism exists for addressing student grievances related to examinations and evaluations.
