

	CHAPTER – 24	
24	CONSULTANCY POLICY	
	<i>Framed and implemented w.e.f. 01.01.2018, Latest update w.e.f. 01.06.2025</i>	
24.1	Objective	
	The Consultancy Policy of Knowledge Institute of Technology provides a structured framework for faculty members, departments, and research centers to undertake consultancy assignments. The objective is to: • Encourage faculty to apply their expertise to solve real-world industrial and societal problems. • Strengthen industry–academia collaboration. • Generate additional resources for the faculty and institution. • Enhance the professional competence and visibility of the college.	
24.2	Scope	
	This policy applies to: • All consultancy activities undertaken by faculty members, research staff, and technical staff of the college. • Both individual consultancy (based on faculty expertise) and institutional consultancy (using college resources, laboratories, and facilities). • Consultancy assignments from industry, government organizations, NGOs, start-ups, and other academic institutions.	
24.3	Definitions	
	• Consultancy: Professional services provided by faculty/staff in their field of expertise for a fee or free cost. • Institutional Consultancy: Assignments that involve the use of the college’s infrastructure, equipment, and staff support. • Individual Consultancy: Assignments based solely on the expertise of the faculty without using institutional resources beyond their own intellectual input. • Testing & Certification: Laboratory-based assignments for testing, analysis, or calibration. • Net Revenue: Total project cost – all expenses incurred	
24.4	Guidelines - Circumstances under which consulting activity may be permitted	

	1	The organization requiring consultancy services from faculty members or the department shall write to the Principal indicating the expertise required.	
	2	The Principal on receiving the request from the organization shall inform to the department concerned.	
	3	The head of the department shall nominate the faculty or a group of faculty having the required expertise and get permission from the Principal.	
	4	The Principal will take into account the factors such as competency of the faculty & staff, responsibilities and commitments of faculty & staff member(s), potential conflicts of interest and the use of institutional resources.	
	5	Consultancy agreement may be signed between the organization and the department towards the nature of consultancy work and the commercials involved in the presence of Principal.	
	6	The faculty or a group of faculty engaged in the consultancy work shall periodically report the progress of the consultancy work to the Principal / Executive Chairman through the HoD of department and Director Consultancy	
	7	Any use of college laboratories, equipment, software, or manpower for consultancy must be recorded and approved.	
	8	The faculty members involving in conduct of consultancy service can avail On-Duty for industrial visit and meeting industry person for discussion related to consultancy work.	
	9	The faculty or staff must ensure that the consultancy work does not create a conflict of interest with the role of the faculty in the college.	
24.5	Net Revenue Sharing & Financial & Legal Compliance		
	Net Revenue Sharing Principal will issue general guidelines for revenue sharing for each academic year. Certain deviations are permitted depending upon the nature of the project.		
	Financial & Legal Compliance - All consultancy payments shall be received through the college's designated bank account. - Taxes (GST, TDS, etc.) will be deducted and remitted as per government regulations. - The college shall issue invoices, receipts, and necessary documentation to clients.		
24.6	Confidentiality & Intellectual Property (IPR)		

		• The faculty and college shall maintain confidentiality of client information and data. • IPR generated during consultancy will be governed by the terms of the MoU/contract. • If the college's facilities or resources contribute to an invention, shared or full ownership will be applicable. • College IPR may be used where not in conflict with rights of third parties or any commercialization plan. • Publication arising from consultancy work shall include the faculty affiliation of the college and acknowledge for the facilities used from the college.	
24.7		Reporting & Documentation	
		• The faculty member must submit a Consultancy Completion Report within 10 days of project closure through proper channel. • The report must include work done, outputs delivered, and financial summary. • Annual consultancy summaries shall be included in the Institutional Annual Report.	
24.8		Policy Review	
		• The Consultancy Policy will be reviewed every Three years by the authorities. • Amendments will be made based on industry trends, regulatory changes, and institutional priorities.
